

Ark/Little Lights 18th September 2020

Dear Parents,

I hope the first weeks of the new term have been ok and apologies once again that we are still not able to meet.

This term we are looking at 'Jesus is the best King ever'.

This week we have the story of the wise and foolish man, building his house upon rock / sand. What happened to the houses? This is a long one but we sing the song of the wise and foolish man.

<https://youtu.be/iEHammlV8FY>

Craft

How about getting a whole collection of boxes (from all those amazon deliveries) and turning them into houses for the children?

The children will enjoy knocking the house down that is built on sand and climbing into them.

All you need are Carboard boxes / pens and paint.

Take care and lots of love
Catherine and the Ark and little lights team
