

Little lights and The Ark – 02 May 2020

Dear Parents,

We are now entering our 7th week of lockdown and I am sure you like me, are amazed at the amount of help that is being provided – from the NHS, to those shopping for others and checkout staff at Sainsbury; from those popping cards through the door, flowers on the doorstep, to the delivery folk delivering Amazon packages; to the teachers and those making craft on line for children.

Of course sadly there are the scammers and the fraudsters so we must be vigilant.

There is a parable 'The good Samaritan,' that Jesus told, to illustrate that what matters is not how important you may be on the outside but what is in your heart.

Video

Here is the video for this week, based on this story of the Samaritan 'who used his hands for good, because the Bible says we should. If we use our hands for bad that will make God very Sad.'

Craft

Using a chart, something like the one below, might encourage a child, to be helpful and when all the hands are coloured in, may be a little treat would be in order.

Helping Hands

| | | | | |
|---|---|---|---|---|
| Give a friend a hug when they are upset |  |  |  |  |
| |  |  |  |  |
| |  |  |  |  |
| |  |  |  |  |
| |  |  |  |  |

Everytime you help someone else like the good Samaritan did, you can colour in a helping hand on your chart!

Ask a parent to help you pick some other good deeds for your chart.

Have a good week and don't forget to make contact if you would like any prayer for you and your family.

Sending love across the internet

Catherine (little lights and Ark Team)
