

# Little Lights/The Ark 24 July 2020

Dear Parents,

This is my last video before the summer. It is about a hairy man called John who washed people in a river.

We will be back online on the 4<sup>th</sup> September when I should be able to update you on what the government is suggesting regarding the opening of any groups. Unlike schools we cannot have small bubbles so it may be a little while before we are up and running again. However we would love to stay in touch and if your child is of the age when they would have been leaving we would welcome one last good bye, but we will sort that out when we can. Have a good summer and you know the email if you would like to get in touch or need some prayer.

## Craft

The reason for the spiders is that they were a favourite part of John's diet

(and I think spiders get a poor rap so I'm 'bigging' them up)
