

Little lights and The Ark – 6 June 2020

Hello parents,

We have had such lovely weather that hopefully it has made the Lockdown a bit more bearable.

Our video today tells the story of a little boy who by a miracle from Jesus, manages to feed 5000 people with just his basket of five loaves and two fishes

Come and meet Tim the puppet.

We have missed seeing each and every child so thank you for the pictures and the updates and be assured of our prayers for you all, as older children go back to school, as some folk go back to work and as you continue to guard your health and those you love. Please let us know if you have any prayer requests.

Saying bedtime prayers every night can help a child develop a habit of praying regularly and to self-reflect on his/her thoughts, behaviour, and actions of the day.

Teaching bedtime prayers to your child can be extremely beneficial.

This one can even be learnt by toddlers

*"Hi, it's me, just come to pray
And thank you for a fun-filled day!
You've been with me, so I know you've seen
All the great exciting things.
But also when I'm sad or cross
I know you love me, no matter what!
So help me rest and go to sleep
And feel the peace of your love for me."*

with love from Catherine, Ark and Little lights
